

11/11

| | What have you completed? | What will you complete for next Meeting? | Obstacles/Roadblocks |
|------------------|---|--|--|
| Dylan Bossie | Attempting Heroku deployment | Fixing broken Python repo, etc. | GitHub repo and local Python both are severely bugged/broken |
| Sang-Joon Song | Attempting Heroku deployment | Fixing broken Python repo, etc. | GitHub repo and local Python both are severely bugged/broken |
| Drew Turner | | | |
| Andrea Martorano | Researched AWS and functionality with heroku | Database diagram | Time constraints |
| Mikayla Pickett | Made several test python scripts to handle image uploading, none worked | Still work on image upload to AWS? Linking Amazon account to AWS server | I have no idea how any of this works |
| John Mulligan | | | Out of town |
